Subject: RFT 2019.6 Supplementary Information No 2 - Local Industry Development Plan Update and New Attachment to the RFT
Attachments: RFT 2019.6 Attachment A3 Local Jobs First Policy Supplier Guidelines.pdf

Dear potential tenderer,

You are now able to prepare your Local Industry Development Plan (LIDP) on the ICN website.

Please follow the steps below:

Go to ICN's access portal at <https://icnvic.force.com/login> (**NOTE: Do not use the old VIPP site as this is no longer operable for current or future projects!**)

If you have not already signed up as a Bidder please follow the SIGN UP prompts.

A screenshot of the ICN login page. At the top, it says 'To access this page, you have to log in to ICN Victoria VMC.' Below this are two input fields: 'Username' and 'Password'. A dark blue 'Log In' button is positioned below the password field. Underneath the button is a checkbox labeled 'Remember me'. At the bottom left, there is a link for 'Forgot Your Password?' and at the bottom right, a link for 'Sign Up'.

After signing up or signing in follow the prompts to prepare and lodge your LIDP.

When commencing your plan please ensure you are preparing a plan for a Standard Project not a Strategic One as this RFT 2019.6 is a Standard Project.

ICN has identified the following items as being Contestable: fuel, oil- motor and reporting services. Your plan should address your sourcing of these items.

ICN has identified the following items as Non-contestable: harvest services, haul services, labour, overheads and margins, tree/vegetation clearing, vehicle/transportation.

If you have any problems using the ICN site it is best that you call the Help Line identified on the site.

For additional reference please use the attached Local Jobs First Supplier Guidelines which we have now included as Attachment A3 to the RFT document.

If you have any queries please do not hesitate to contact me via the vfs.woodsupply email address.

Regards
